Jesus Only Songs and Hymns

PREFATORY DEDICATION

Jesus Only No. 1 was brought out in 1899. Jesus Only No. I and II in 1901. "Select Songs" later. The first His Fullness in 1906.

The aim was not just to put another song book on the market, but we had a special message in our souls concerning **Jesus the Christ the Son of God** that had to be sung out, told out, suffered out; that men might **KNOW HIM**, in the power of His resurrection and the fellowship of His sufferings and be conformed to His death. This was a special gift from God. Many have written us of the help that Jesus Only messages in song has been to them in times of spiritual need; of the thousands who have been saved and filled with the Spirit and His power thru them.

To know God and Christ is eternal life: John 17. And the mission of **Jesus Only Songs** is to reveal Him to hungry and needy souls.

To this mission and to Jesus the Way, the Truth and the Life; and to all who would know Him and reign with Him; we dedicate this Book of Spirit-filled songs; to all who love and hope in Jesus.

Jesus Only Songs and Hymns

SPECIAL HELPERS

Little is accomplished without the help of others. Few lives, even with grace to help, are sufficient in themselves to any important tasks of life. And should not credit be given to those who have helpt? In the work and compilation of this book some have helped by encouraging us. Some have helped by good will and prayer. Some have helped by labor. And some have helped by liberal supply of means. I wish I could name them all, but it is impossible to spare the space. God knoweth and the names of all are in heaven. Their good will, prayers and deeds are recorded there.

But we are specially indebted to W. S. Pleasant, J. A. Jeter, R. J. Temple, C. H. Mason, L. W. Lee, James Brewer, J. C. Brown, J. T. Brown, E. W. Butler, Henry Moore, D. J. Flynn, Chas. F. Jones, C. E. Owens, Miss J. P. Moore, E. C. Morris, E. A. P. Cheek, Prof. J. A. Booker, Solomon Michaux, Charles L. Fisher, A. J. Scarborough, J. S. Williams, J. W. Washington, K. H. Burruss, L. G. Robinson, Charles Gray, H. H. Moody, G. A. Goings, D. J. Washington, George J. Strong, Wm. A. Washington, Henry L. Caver, Wm. Mitchell, C. H. Chrisman, Carter, W. H. Dunn, Edward Crane, Amae Crane, J. L. I. Conic, Edgar Conic, L. J. Brunson; Geo. A. Thomas, O. L. Mitchell, B. Cook Jr., Miss Pearl Clark and many others and the following committee appointed for special help: Catharine Moten, Oscar Davis, Mrs. T. Patterson, Mrs. L. D. Pruitt, Luella Bush, Daisy A. Sanders.

Some of these names stand high in the congregation of Israel and on the scroll of fame for service. Others have done what they could. To Mrs. Luella Bush special mention is due. But thousands have helped whom we cannot name. Their names and deeds are in heaven. Some names appear elsewhere in this book. But JESUS is the theme of the book. Those we mention we honor as believers in and servants of Jesus.

"All thru Christ; all in the Holy Ghost; all else is nothing."

Rom. 5: 10.

Revival

CHAS. P. JONES.

1. I once was a self-ban-ished soul from the Lord, And
 2. It cost Him a life of a-base-ment so sad, And
 3. He rose from the grave all tri-umph-ant o'er sin, As-
 4. Say not, "I am too mean a sin-ner to come," And

wan-dered to death in my flight, Till Je-sus o'er took me, all
 ma-ny a pray'r-la-den night; It cost Him a death of great
 cend-ing to heav-en in night; There at the right hand of the
 give up the strug-gle to - night: A - rise, for the Sav-ior is

sin - sick and sore, And vent-ured to make it all right.
 an - guish and pain: But now He has made it all right.
 Fa - ther to plead. Come, sin - ner, He'll make it all right.
 call - ing for thee; Come, Je - sus will make it all right.

CHORUS.

All right, all right; Je - sus has made it all right; The Fa - ther ac-

cepts me, Sal - va - tion is sure; For Je - sus has made it all right.

899, by Chas. P. Jones.

I Will Not Yield. Concluded.

 God will sufficient. His grace supply,

I Would Not Be Denied.

GEN. 32: 24-28.

C. P. JONES.

1. When pangs of death seized on my soul, Un - to the Lord I cried,
 2. As Ja - cob in the days of old, I wres-tled with the Lord,
 3. Old Sa - tan said my Lord was gone And would not hear my pray'r,

Till Je - sus came and made me whole, I would not be de - nied.
 And in - stant with a cour - age bold, I stood up - on His word.
 But praise the Lord! the work is done, And Christ, the Lord is here.

CHORUS.

I would not be de - nied, I would not be de - nied,
 de - nied, de - nied,

Till Je - sus came and made me whole, I would not be de - nied.
 de - nied.

means to hold the particular note under or over it at the pleasure of the performer.

Meaning of Terms.

41. Ritardando (ritardahendo), ritard, or rit. means to gradually become slower.

Accelerando—Faster and faster.

Adagio—Slow.

Ad libitum—At pleasure.

Allegro—Quick movement.

Allegretta—A little fast.

Adante—Gentle and distinct, a little slow.

Con espressione—With expression.

Con spirito—With spirit.

Moderato—Not too fast, not too slow.

Non troppo—Not too much.

Poco—A little. Poco adagio—A little slowly.

Solo—One person sings; Duet or Duette—two persons; Quartette—four persons; Quintette—five persons.

Sotto voce—With subdued voice.

Tempo—Time; A Tempo—in time; Tempo ad libitum—Again, please.

42. We will now notice briefly how to readily read music and giv-

ing a few definitions of musical terms, close the book.

Helpful Suggestions.

To learn readily: (1) Learn the correct sound of each syllable by frequently running the scale, the Tonic Chord, Do, Mi, Sol, Do; then the Dominant Chord, Sol, Ti, Re, Sol. (2) Familiarize yourself with the sound of La and Fa, Re and Ti as well as Do, Mi, Sol. (3) Having got sound of each degree or syllable in its relation to Do, look to your knowledge of the note by its position in the scale or on the staff. If Do is on one line, on the line above will be Mi, on the line below will be La; the second line above will be Sol and the space above the next line Do. If Do be on a line Sol will be the second line above and the octave Do the space above the next line to Sol. If Do be on a line, octave Do will be in a space, and vice versa. Noting these positions, it is easy to locate Ti one degree below where Do belongs, and Re one degree above, or Fa one degree below where Sol belongs, etc. But practice alone makes perfect—practice.
