## PREFACE.

---

"Sing praises unto our King, sing praises."—Ps. 47: 6.

"All the earth shall worship thee, and shall sing unto thee; they shall sing to thy name. Selah."—Ps. 66: 4.

JESUS ONLY No. 1, has, by the grace of our LORD JESUS CHRIST, met a hearty reception; chiefly, too, upon the merits of the new and original songs therein contained. For this we thank God in Christ, Who condescended to give us this blessed work to do. Call has long been made for the Second Number combined with the First, which we have also long promised, but for reasons which He knows better than any of us, we have been delayed. But it is here at last, and we bespeak for it a much more gratifying reception than the first book had, though God has blessed *it* as he has.

We ask the prayers of those who love the Lord that the songs herein contained may, in that melody that the grace of the Spirit alone can impart, reach the hearts of men. *Amen.* (Col. 3: 16.)

Thanks are especially due Brother E. A. Hoffman and Miss Gertrude Harris for help in criticising the work.

In Christ Jesus our Lord,

C. P. JONES.
